Dear Ms. Kiser and Mr. Sukys:

With this letter and pursuant to the authority delegated to me, I approve the following amendment of the Sacramento Area Council of Governments' (SACOG) 2004/5-2006/07 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
10	State, Local and Transit Elements <ul style="list-style-type: none">Adds, deletes or modifies various projects from various funding programs in El Dorado, Sacramento, Sutter, Yolo and Yuba counties. The amendment includes projects with funding from the Regional Surface Transportation Program (RSTP), National Highway System (NHS), Highway Bridge Replacement and Rehabilitation (HBRR) program, Congestion Mitigation and Air Quality (CMAQ) program, Hazard Elimination Safety (HES) program, Transportation Enhancement Activities (TEA), Federal Discretionary Program and various Federal Transit Administration (FTA) programs. See enclosure.

I am also recommending that the Federal Highway Administration and the Federal Transit Administration approve this FTIP Amendment No. 10 for inclusion into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP in fiscal years beyond the three-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are for information only.

The changes being proposed to the Federal Transportation Improvement Program by this amendment have been found by SACOG to not require a conformity analysis or determination. Therefore, this FTIP amendment is consistent with the State Implementation Plan. The financial impacts of this amendment are compatible with anticipated revenues in the FSTIP Financial Plan and do not significantly affect the overall financial analysis.

In accordance with existing law, public involvement procedures are a part of the project selection process. SACOG prepared this FTIP amendment under that process permitting citizens, affected local agencies, other public agencies, and other interested parties reasonable opportunity for comment.

Please address any questions on this FSTIP approval request to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

ROSS A. CHITTENDEN
